

# Free. Supportive. Designed for Parents.

Parenting doesn't come with a manual, but now there's an app for that.

Parent Pathways Academy (PPA) gives you expert-informed guidance, practical tools, and a welcoming community all in one free, easy-to-use app.

## What You'll Find Inside the PPA App:

Short, expert-led videos on 4 essential pathways

Academics

Health and Wellness

Digital Wellness

Practical Parenting

Downloadable Parent Playbooks with real-life tips and activities

Events and webinars to help you grow your knowledge and confidence

A supportive online community of fellow parents, in a safe moderated space

## Who Is It For?

Parent Pathways Academy (PPA) is designed for all kinds of parents and caregivers, including:

- New and expecting parents
- Homeschooling families
- Parents of school-aged children
- Anyone looking for guidance, connection, and support.

## Why Try PPA?

Because you deserve parenting support that fits your busy life.
